Annyong haseyo and I bid you a warm welcome.

It's been a fantastic and rewarding experience working with you since I became CEO in July last year. I was very glad to find such great partnerships, some of them for decades.

Please trust that we will do our best to further strengthen this partnership with all our valued producers like yourself and we recognize and thank you for all your efforts and support.

We are doing well turning in a remarkable performance so far and this is only possible with your growing steadfast support. We will continue to improve our processes and strengthen service capabilities in support of your business needs which are ultimately dedicated to quality customer service.

Today, we have officially launched the Korea Trip sales contest. We are excited about this contest and we look forward to your active participation over the next 5 months.

I wish you all the best, and look forward to joining you for lunch and dinner in Korea with our new chopsticks.
