- 16.3 To obtain *pre-authorization*, you must submit your request at least 5 working days in advance before admission or treatment.
- 16.4 Upon receiving your request we will review the *medical necessity* and appropriateness of the requested service and within five working days will notify you of our decision to:
- ▶ grant pre-approval
 - ▶ deny pre-approval
 - ▶ request further information
- 16.5 Pre-approval may be partly given and partly denied. If within the five days *pre-authorization* is not given or denied, or additional information requested, then such service will not be subject to the co-payment applicable to services for which *pre-authorization* was not maintained.
- 16.6 If we request further information you are required to provide any additional information we may require. Sections 15.5 and 15.6 of this policy apply.
- 16.7 *Pre-authorization* is not a guarantee of benefits or eligibility and all services are subject to benefit limitations and other policy terms. *Pre-authorization* may be revised or withdrawn if we determine later that the service is not covered or is not *medically necessary*. If *pre-authorization* is given for a particular service, that *pre-authorization* applies only to that service and further *pre-authorization* must be obtained for other services even if related to the same *disability*.
- 16.8 If an extension of the length of stay is necessary, you must contact us before the pre-approved length of stay finishes. If you fail to do so any services rendered after the end of the planned admission period will be subject to the co-payment for services for which *pre-authorization* was not obtained.
- 16.9 If *pre-authorization* is denied you may appeal the decision, and we will make a further determination or request additional information within five days of receiving your appeal. Only one appeal is permitted per service.

- 18.2 If another person or entity may have liability for your *expenses*, including but not limited to a third party who is responsible for an *injury*, you must take all steps necessary to secure reimbursement from that other person or entity.
- 18.3 You must not negotiate, settle, compromise, release or otherwise discharge any claim you may have against any third party who may have liability relating to your *expenses* without our prior written agreement. Failure to obtain our prior written agreement will result in us having no liability under this policy for *expenses* which might have been recoverable from that third party.
- 18.4 In the event of any payment under this policy, we shall be subrogated to your or any *insured person's* rights of recovery against any other person or entity. We may take proceedings in your name, but at our expense, to recover any amount we pay under this policy. Neither you nor any *insured person* shall do anything likely to prejudice such recovery, and instead shall take all reasonable steps to assist us in obtaining such recovery.

19 RIGHT OF RECOVERY

The parties agree to take part in the mediation in good faith and undertake to honour the terms of any settlement reached.
- 22.3 If any dispute is not referred to mediation or mediation fails, the dispute has to be referred to arbitration seated in Singapore venued at the Singapore International Arbitration Centre. Any dispute arising out of or in connection with this contract, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration in Singapore in accordance with the Arbitration Rules of the Singapore International Arbitration Centre ("SIAC Rules") for the time being in force, which rules are deemed to be incorporated by reference in this clause.
