A

NON-EMERGENCY HOSPITALISATION OR TREATMENT

For any planned hospitalisation or treatment, you must request pre-approval from APRIL **as soon as possible and no later than 5 working days in advance**

Submit your request on Easy Claim.

Click on the **Hospitalisation** button, fill in the required fields and attach the relevant documents.

OR

APRIL will assess your request.

When your request for hospitalisation or planned treatment is approved, we will provide you with the supporting documents (written approval or Letter of Guarantee).

With APRIL, you are not obliged to consult a particular doctor or go to a particular hospital. You are free to choose your own doctor or the hospital where you want to be treated.

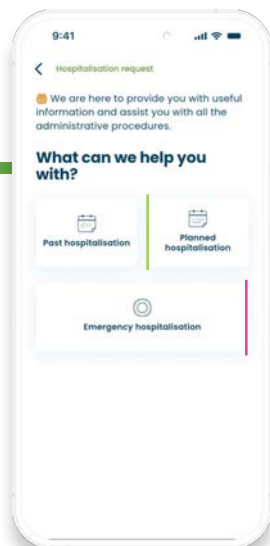

However, if you have a serious health problem, our experts will always look at each individual case. The local experience of our medical teams means we are able to make the best possible assessment of the treatment plans and rates offered by healthcare providers to ensure the treatments being proposed are appropriate and medically required and that they are in line with the usual and customary rates in the region.

B

EMERGENCY HOSPITALISATION

If you need to be hospitalised urgently, please contact **APRIL Assistance (+66 2022 9190)** for immediate help. Whenever possible, please state your policy number and member number. You can also provide your member card to the hospital who will arrange to call us.

Your emergency numbers can be found on your Easy Claim app and on the back of your member card

When your request for pre-authorisation or Letter of Guarantee is approved, we will provide you with the supporting documents (written approval or Letter of Guarantee).

If you are not capable of calling us before your hospitalisation, please make sure that you contact APRIL within the 24 hours following your admission to hospital or as soon as reasonably possible.

Requesting a pre-approval is compulsory. If you don't request a pre-approval, we may apply a 20% CO-INSURANCE on your medical expenses. Please refer to page 14 for the full list of treatments requiring pre-approval.

D > SPECIFIED INPATIENT PROVIDERS

Singapore policyholders may opt to enjoy a premium saving by selecting a Hospital and Surgery module with a **Specified Inpatient Providers restriction**. If you have selected this module, you may only enjoy cover under your Hospital and Surgery module in a selection of named providers.

IN HONG KONG	CUHK Medical Centre Canossa Hospital Evangel Hospital	Gleneagles Hong Kong Hospital Hong Kong Baptist Hospital Hong Kong Hospital Authority Hospitals	Precious Blood Hospital St. Paul’s Hospital	St. Teresa’s Hospital Union Hospital
IN SINGAPORE	Farrer Park Hospital Government Restructured Hospitals Mount Alvernia Hospital	Parkway East Hospital Thomson Medical Centre		

Any treatment received outside of the facilities listed above will be subject to 40% co-insurance.

● Outside of Singapore and Hong Kong

Treatment may be enjoyed at any Inpatient medical provider (with the exception of United Family, Sino United and Parkway in Mainland China) provided that the cost are:

- › Reasonable and customary
- › Less than or equal to one of the providers listed above

4. About your policy

A > I HAVE CO-INSURANCE « How does it work? »

On our outpatient plans, **we offer a 20% co-insurance.**

Here's how the co-insurance is calculated:

When is co-insurance applied?

Co-insurance applies to your outpatient expenses if you select a medical provider outside our Panel Network (see page 8).

It doesn't apply:

- › Within our Panel Network (you must present your APRIL card at the reception to benefit from direct billing services)
- › To the following benefits: complementary medicine and traditional Chinese medicine, screening, medical checkup, vaccinations and routine outpatient maternity

B > I HAVE A DEDUCTIBLE

« How does it work? »

A deductible is the amount you are responsible for before the insurance plan starts to pay for medical expenses. For instance, if your deductible is SGD2,000, you must pay that amount out of your own pocket before we begin covering your medical expenses. The annual deductible is per person per year and **only applies to your hospital and surgery plan.**

C > WAITING PERIODS

From the effective start date of your policy, some waiting periods are applied before we start covering your expenses. Here is the list:

- 300 days for Major Dental Treatment
- 366 days for Maternity Benefits
- 3 years for HIV/AIDS

Any expenses related to the treatments or procedures mentioned above which are incurred before the waiting period is over are excluded from cover and will not be reimbursed.

If you have chosen CPME underwriting, you won't have to go through additional waiting period if it has already been completed with your previous insurer.

D > GENERAL EXCLUSIONS

« *WHAT IS NOT COVERED BY MY POLICY?* »

There are certain items that your policy will not cover, which are referred to as exclusions. **Please read your Terms and Conditions carefully for the full list of general exclusions.** Here are the most common exclusions:

- ✗ Services which are not medically necessary
- ✗ Treatment which is covered by other insurance
- ✗ Cosmetic surgery and reconstructive surgery
- ✗ Sleep disorders or behavioural or developmental disorders
- ✗ Weight disorders
- ✗ Vitamins and health supplements
- ✗ Teeth whitening
- ✗ Treatment related to assisted conception, contraception, sterilisation, fertility or infertility
- ✗ All treatments related to sexually transmitted diseases
- ✗ Congenital diseases
- ✗ House calls, delivery of medicine or other items

E > TREATMENTS REQUIRING PRE-AUTHORISATION

« *In which cases do I need to request pre-authorisation from APRIL?* »

Some major treatments and procedures require the pre-authorisation of our medical team:

- Hospital Benefits (other than emergencies)
- Rehabilitation Treatment
- Surgery performed while a day-patient

You must receive APRIL's prior approval for your treatment. Please submit your treatment request on Easy Claim or fill in our [Advance Request Form](#) (available on your Member Portal) and return it to us at provider.asia@april.com.

Requesting a pre-approval is compulsory. If you don't request a pre-approval, we may apply a **20% CO-INSURANCE on your medical expenses.**

F > TREATMENTS REQUIRING A REFERRAL LETTER

« *In which cases do I need a referral letter from my attending physician?* »

If you wish to visit one of the specialists listed below, you must first visit your attending physician or general practitioner who will write you a referral letter for the specific treatment. To be fully covered, you must submit a referral letter from your attending physician along with your claim.

- Physiotherapy
- Occupational therapy
- Dietician

5 . Premium payment and policy update

A > HOW CAN I PAY MY PREMIUMS?

When you enrolled in the plan, you had the possibility to select **quarterly, semi-annual or annual payments**. Whether you chose to pay your premiums by cheque, bank transfer or credit card, you will receive a premium notice at each due date with details of the amount to be paid.

Your premium amount may change on the anniversary date of your plan depending on the benefits and the options you selected. Changes to your premium are not based on the level of claims you have made. In fact, our calculation is based on the overall number of claims made by the persons insured under MyHEALTH.

As healthcare costs are rising every year in Singapore, we might also adjust your premiums to keep pace with medical inflation. This is in addition to any age related increase(s) which may apply to your policy.

B > HOW CAN I MAKE CHANGES TO MY PLAN?

We would be pleased to assist with making any changes to your plan. You can:

● At renewal:

- › Adjust the level of your cover to suit your needs
(if you choose to upgrade your benefits, you may have to go through our underwriting process)

● Anytime throughout your policy year:

- › Update your bank details
You can easily add or delete a bank account on your Member Portal, under the **Policy** tab.
- › Update your address or phone number
- › Add a dependant (e.g. spouse, newborn)
- › Change of name (e.g. after marriage or divorce)

To make any of these changes to your plan, please contact your insurance broker or a member of our team at contact.sg@april.com. We will send you the appropriate forms to fill in and walk you through the process step by step.

C > WHAT IF I DECIDE TO MOVE TO ANOTHER COUNTRY?

You will be able to enjoy the same level of cover in your new country of residence until the end of your policy year. If your area of cover is Worldwide excluding USA, your medical expenses will be capped at USD100,000 in the United States (applicable only for services rendered due sudden illness or injury occurring within the first 30 days of any trip outside the area of cover).

After the end of your policy year, we will offer to renew your plan with a premium adjusted to your new country of residence. We offer renewals for all countries of residence, except for the USA and **warring / high risk countries**.

Please note that your policy cannot be cancelled before the end of your policy year and no mid-term refund will be made.

For more information, contact your insurance consultant :

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for **your** policy is automatic and no further action is required from **you**. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact Liberty Insurance or visit the GIA or SDIC websites (www.gia.org.sg or www.sdic.org.sg). This policy is not a Medisave-approved policy and **you** may not use Medisave to pay the premium for this policy.
